

Hunston Parish AGM – 30th April 2021

Chairman's Report

The past 13 months have been interesting :-

1. The Pandemic resulted in a change to the law regarding Parish Council meetings. Unfortunately the Parish Meeting format was not covered by the law change and hence we sought guidance on how to proceed. Our annual accounts must be verified and submitted within certain key dates and therefore I held a 2020 AGM with only the other elected officers present (agenda and minutes attached to this report).

We are now in a similar situation where our key date is very close and yet we still cannot meet as a group. I will therefore be hosting a zoom AGM on the 30th April. My intent is to seek approval for the accounts and to identify and elect new officials. Although there will be an agenda item of AOB I would ask that anything that is not presently essential be left as I feel we should all be able to meet later in the year (September ish).

2. Accounts for the year and Matthew's Treasurer's report are attached.

3. The litter pick was not completed but thanks to all those who have acted individually to keep our verges clean and tidy

4. Finally we must consider the election of officers. Liffy stood down as our secretary/clerk and we are looking for a replacement (if nobody wishes to undertake this role we must consider using a paid professional secretary/clerk). Any person who wishes to put their name forward for the Chairman, the Treasurer and the Secretary/clerk are most welcome to do so. Please email Matthew directly.
